and he, the said _____ (No. _____) is the ancestor who assisted in
establishing American Independence, while acting in the capacity of _____

Applicant affirms his adherence to the principles set forth in the Declaration of Independence and his unqualified support of the Constitution of the United States of America, to the end that the inalienable rights of the citizen may be preserved and our ideal representative government perpetuated.

ANCESTOR'S SERVICE

"SECTION 1. Any man shall be eligible to membership in this Society who, being of the age of eighteen years or over, and a citizen of good repute in the community, is the lineal descendant of an ancestor who was at all times unfailing in his loyalty to, and rendered active service in, the cause of American Independence, either as an officer, soldier, seaman, marine, militiaman, or minute man, in the armed forces of the Continental Congress, or of any one of the several Colonies or States, or as a signer of the Declaration of Independence; or as a member of a Committee of Safety or Correspondence; or as a member of any Continental, Provincial, or Colonial Congress or Legislature; or as a recognized patriot who performed actual service by overt acts of resistance to the authority of Great Britain."—*Constitution of National Society S. A. R., Article III, Section 1, adopted June 3, 1907, and as amended.*

Membership is based upon one original claim; when the applicant derives eligibility by descent from more than one Revolutionary ancestor, and it is desired to file additional claims, separate applications, to be marked "Supplemental Applications," should be made in each case and filed with the original.

State fully such documentary or traditional authority as you found the following record upon, and also the residence of ancestors, with dates of birth and death, if known.

By order of the Board of Trustees, May 3, 1911, the recipient of a certificate granted on this application agrees to surrender his certificate upon failure to pay his membership dues, unless his membership shall cease by reason of death or actual disability, to be determined by the Society of which he is a member.

My ancestor's services in assisting in the establishment of American Independence during the War of the Revolution were as follows:

~~Richard Bragaw, my great great grandfather, was a member of Woodhull's Cavalry operating on Long Island. He was detailed in charge of a squad to remove and to protect certain supplies which were in danger of capture by the British. He was himself captured by the British and imprisoned on board a prison ship in New York Harbor, whence he subsequently made his escape.~~

I am also eligible through descent from Capt. John Patton, of the North Carolina line, through whom my uncle Stephen Cambreleng Bragaw has applied for membership. I prefer however to base my claim upon the descent from the Bragaw line, so I simply mention the above to show that I am entitled to membership even though the Bragaw claim should not be proven and that ^{my father was} ~~I may be~~ entered as a charter member of the N. C. Society.

Mr. John G. Bragaw

Dear Compatriot Bragaw,

Due to the inconvenience, and time required, to get the enclosed copies reproduced from our records, also due to their confidential nature, I hunted and pecked them out myself. Thus no charge.

Incidentally it is my judgment that more detailed data are now required by both the DAR and SAR National officials. Your daughter should look into this. May I also suggest that she develop the second line for future reference purposes of not for supplementary lineage?

Cordially
